Draw the Roller Coaster

Read a line graph and connect it to the story.

Ages 7–9 · 15 min · Book link: Lab Notes, page 39

1. Look at Jiwoo's curve on page 39. Find HOME, WARM-UP, KICKOFF and 10 MINUTES IN.
2. On your sheet, draw Jiwoo's day. Write ELECTRIC where she felt amazing and WET SPAGHETTI where her legs gave up.
3. Now draw a second line in another color for a made-up day: same drink, but toast first. Label it MY GUESS.

☐ **Jiwoo's day** *(color 1)* ☐ **MY GUESS — toast first** *(color 2)*

Talk about it — why is your second line a guess and not a measurement?

A graph is a picture of an idea. Mine was a picture of one Saturday. — L.
