Lumi Shows Up

Write in Lumi's lab-report voice and retell an ordinary moment like a scientist.

Ages 6–9 · 15–20 min · Book link: Chapters 2–4

1 · Lumi pops out of…

2 · I was about to…

3 · Lumi writes on her clipboard:

"Subject reports: _____

4 · Later, I noticed…

Lumi's style: short, calm, a little dry. "Subject reports: electric." · "Subject ignored advice. Recording." · "On an empty stomach. Before a match. Bold."

I never shout. Well — once. Page 8. It was an emergency. — L.
